The Job Main Objectives

As HR Officer for MSI you are an important link between the operation and management. This means you are operating on an operational and tactical level. You are the central point of contact for employees, where your HR knowledge and skills are regularly called upon (advise, policy, regulations, etc.).

The responsibilities for this versatile position are:

- Personnel administration
- Recruitment & employment
- Coordinating performance cycle
- Support of various projects
- Labor law
- Case management (Wet Verbetering Poortwachter)
- TEV procedure (TWV and Highly Skilled Migrants)
- Part of MT

You start with a thorough induction program including several trainings in which you will be getting more familiar with the company, the MSI products and markets.

Required Skills and Knowledge

We are looking for a candidate with the following:

- Bachelor degree in Human Resources Management or equivalent.
- At least 5 years of relevant experience as HR, preferably in a multinational in the Consumer Electronics industry.
- Good knowledge of English language, both spoken and written.
- Knowledge of AFAS.

Required Competences and Personality

At MSI we believe in three core values: *Teamwork, Passion and Execution*. In order to be successful you must have these competences. Besides the company's core values the ideal candidate has the following competences: Self-awareness, flexible, curious, eager to learn, persuasiveness, perseverance, initiative and enthusiastic.

Our offer

At MSI you can count on a dynamic, demanding, international and non-formal working environment in which initiative and hard work is being recognized and rewarded. The employment package is competitive and depends on level of experience and knowledge.
